DROP-IN PERFORATED STAINLESS STEEL TEMPLATE

Professional Bakeware by TableCraft® customizes your cold well in various heights. Whether you want your bowls to sit flush, above or below the cold well counter for presentation, our Drop-In perforated templates allow for the most versatility and flexibility.

- Drop-In templates are the most versatile and flexible solution for recessing your Professional Bakeware by TableCraft® Cast Aluminum designs. Eliminates restrictions of pre-cut templates.
- Perforated design allows for consistent air circulation while creating a recessed image for your cold well.
- Drop-In design allows for easy cleaning and presentation while keeping your Coated Cast Aluminum in pristine condition.
- 304 Stainless Steel, seamless welded construction for lasting durability.
- Choose from in stock or custom design for your refrigerated cold well project.
