# MODULAR ACTION STATION

New modular Action Stations allow you to add multiple cooking stations and cooling plates where you need it, using less space and creating maximum flexibility

- Dimensions fit and coordinate with current action stations
- Action stations include cooling plates (bowls sold separately)
- CWACTION7 includes 1 each CW40196 Induction range
- 123463 Butane Stove sold separately (see catalog page 46 & 47 for details and pricing)

## ACTION STATION COUNTERTOP KITS

TableCraft's Induction Action Station is a perfect make-to-order station solution. Create a pop-up omelet station, crepe station, made to order pasta bar, or even add an induction-capable wok to make your own stir fry station and more! The induction burners heat quickly and easily without the need for canned fuel or butane and are perfect for hotels, stadiums and other venues that have restrictions against open flames. For use with our Professional Bakeware cast aluminum bowls to help keep ingredients cold and safe during operation. The lightweight aluminum frame is easy to move anywhere, set up, break down, and clean. And, it's available in two finishes and three color options to match any décor.

- Size and shape is designed to fit on all portable catering tables at only 25" front to back
- Cooling plates must be stored in freezer prior to use in order to ensure cast aluminum bowls stay cold during service
- Induction cooktops only work with induction capable cookware
- Custom sizes and shapes available
