Product Notes	Packaging Details
14 Point Vinyl (1/14" or 0.356 mm) refers to thickness of material.	Each check holder is wrapped in tissue paper then placed in a poly bag. A piece UPC label and California Prop 65 label are applied to each poly bag. There are 25 each per master(5 Ply Corrugated). Two UPC labels are applied to one corner of each carton. A 3 Ply corrugated pad is placed above and below the units for added protection. Silica packets are added to each carton.
